**Do you want to learn more about toilet training or life skills?**

**Is your child having trouble with appropriate play?**

**Are your days hard due to non-compliance or perhaps aggression?**

**Come learn about the foundation of all behavior - this information applies to all skills, ages, and abilities. We will share specific strategies to help you get the behavior change you want.**

Kimberly Kamhi Sclarow is the founder of Daily Practice LLC. She has worked with children and families for over 15 years. Her work in the field of Applied Behavior Analysis includes a variety of roles such as direct therapist, classroom teacher, consultant, program director, and Board Certified Behavior Analyst (BCBA). Kimberly has extensive experience working with children (primarily under 12 years), who have an autism spectrum disorder, ADD, ADHD, and challenging behaviors. Her passion lies in strengthening family units, breaking down barriers that result in child and family isolation, and building communities.
